

Biotin -PEG₄-Methyltetrazine

Product No.: 1024

Product Name: Biotin-PEG₄- Methyltetrazine

Chemical Structure:

Molecular Weight: 589.71

Chemical Composition: C₂₇H₃₉N₇O₆S

CAS Number: n/a

Solubility: DMSO, DMF, MeOH, DCM, THF

Storage: Upon receipt store at -20°C. Product shipped at ambient temperature

Appearance: Red solid or oil

Shelf life: At least 12 month at -20°C

For research use only
