

Biotin-PEG4-NHS ester

Product No.: B103

Product Name: Biotin-PEG4-NHS ester

Chemical Structure:

Molecular Weight: 588.67

Chemical Composition: C₂₅H₄₀N₄O₁₀S

CAS: 459426-22-3

Solubility: DMSO, DMF, DCM, Chloroform, TFH

Appearance: White amorphous solid

Storage: Upon receipt store at -20°C. Product shipped at ambient temperature

For research use only
