

Desthiobiotin NHS ester

Product No.: 1201

Product Name: Desthiobiotin NHS ester

Chemical Structure:

Molecular Weight: 311.34

Chemical Composition: C₁₄H₂₁N₃O₅

CAS: 80750-24-9

Solubility: DMSO, DMF

Appearance: White solid

Storage: Upon receipt store at -20°C. Product shipped at ambient temperature
