

Dde Biotin-PEG4- NHS ester

Product No.: 1207

Product Name: Dde Biotin-PEG4-NHS ester

Chemical Structure:

Molecular Weight: 781.91

Chemical Composition: C₃₆H₅₅N₅O₁₂S

CAS: N/A

Solubility: DMSO, DMF, DCM, THF

Appearance: Slightly yellow oil

Storage: Upon receipt store at -20°C. Product shipped at ambient temperature
